Custom Write-on Venting Wash Bottles

- Wide mouth for easy filling
- Dispenses solvents efficiently
- Eliminates unwanted jets of solvent
- Eliminates solvent dripping

These LDPE Driplok Wash Bottles with PP closures feature the only venting system that dispenses solvent as efficiently as a standard wash bottle. This venting system consists of a valve specifically designed to allow volatile solvent vapors to escape, but seals completely when in use to dispense a powerful, spatter-free jet of solvent. These easy to fill bottles are available blank with write-on for customization.
