Certificate of Compliance

4-Way Tubing Connector, Polypropylene

Dynalon Products Covered:

222925, 222935, 222945, 222955, 222965, 222975, 222985

Regarding our Polypropylene 4-Way Tubing Connector, I wish to inform you that these are manufactured in Italy from autoclavable Polypropylene resin. Batch information such as expiration date is included on Kartell package labels when full cases are ordered.

These 4 Way Plastic Tubing Connectors have excellent chemical resistance and are autoclavable. Serrated connecting surfaces to prevent tubing slipping. Connector withstands flows to 20 p.s.i.

Compliance Information (provided by manufacturer):					
BSE/TSE Free	Yes	FDA Compliant	Yes	RoHS 3	Yes
California Proposition 65	Yes	Reach	Yes		
Mfg. Part Numbers	1410, 1411, 1412, 1413, 1414, 1415, 1416				
Mfg. Certifications	UNI EN ISO 9001:2015		UNI EN ISO 14001:2015		

Please advise if you require any further information.

Regards,

Robert Pfeil
